

## ONE CAMPER: ONE CAMP 2009

As our country works to prioritize the importance of our nation's future, ALC honors it's vital role in THAT future - educating our children by providing excellence in life and leadership skills in the warmth of a strong community.

ALC has been instrumental in contributing to our growth and we need to spread the message of the value of Alford Lake more than ever.

In that spirit, we have created the concept, **ONE CAMPER: ONE CAMP** - where **EACH Alum recommends ONE child (and their family) to Alford Lake Camp for the Summer of 2009**. We are asking you to spread the word about the importance of an ALC experience for a child's education, continued strength of character and independence.

You, as an ALCer, are a vital part of our community and we need your help! If each Alum refers one family to Alford Lake, imagine the extraordinary possibilities...

Let's work together!!

Love,  
Sue & Betsy
