

IMPORTANT DETAILS FOR ALL ALC PROGRAMS

Tuition Payment and Cancellation Policies – A non-refundable tuition deposit of \$1000 is required upon enrollment. Tuition must be paid in full by June 1st. Note: No reduction of tuition is made for the late arrival or early departure of a camper.

Dismissal Policy: The Directors reserve the right to dismiss any camper if, in their opinion, it is considered in the best interest of the camper, her camper group, or the camp community.

Tuition for resident campers covers all camp activities, including out-of-camp trips and riding. Also included: Meals, optional bedding, laundry, and certain supplies, such as batteries or toothpaste, should a camper run out of them. Not included are official camp clothing and the possible charges listed below.

POSSIBLE ADDITIONAL CHARGES:

- Chaperoned bus trip to/from camp (cost based on location)
- Overnight accommodations, if needed, in Boston.
- Orthodontist, dentist, or doctor appointments and prescription or other medical charges
- Transportation for other than camp-scheduled programs
- Shipping charges for luggage/trunk sent home
- Tutoring
- Lice treatment(s)
- Airline unaccompanied minor charges incurred by ALC
- Other miscellaneous charges as they occur
- All charges will be billed when camp is over in August.

All Campers need to be covered by their family's medical insurance policy. Parents must provide insurance information before camp. Should your camper experience any illness or accident while in camp, ALC will see that she receives the finest medical treatment in our area. Our non-resident pediatrician treats campers. ALC will provide the camper's insurance information at the time of treatment with the understanding that these charges will be billed to the family directly. Any medical bills from a specialist or hospital will be sent to parents for payment. All expenses incurred by Alford Lake Camp for prescriptions or medical treatments will be billed to you.

We attempt to accommodate all tutoring requests, dependent on your camper's needs and availability of staff. We prefer that tutoring be done before and/or after camp so that your camper has a break from academics. Tutoring fee is \$75/hour.

Additional information for Global Challenge Trip Campers: Tuition includes airfare (where applicable), but does not include suggested personal spending money. If a Global Challenge Trip Camper withdraws, the entire tuition is non-refundable. Should a camper leave the trip early, there will be no reduction in tuition. Alford Lake Camp must pass on to parents all costs incurred over and above the stated tuition due to an unexpected departure from the trip, which may include travel, hotel costs, medical treatment, and other incidentals.
